About Blazing Star Ranch

Blazing Star Ranch is a yarn and fiber store and small alpaca farm in Colorado that began in January 2010. We started with 2 alpacas and now total 28. Six years into the business, we are seeing the fruits of our breeding decisions. We'd like to help you with yours.

Our yarn and fiber store opened inside Anderson's Vacuums in the late fall of 2012. We carry Majacraft, Ashford, Spinolution, Schacht, and National Custom Spinning Works spinning wheels and a variety of natural fibers, yarns, and the tools to work with them. Small looms are available from Ashford, Schacht and Majacraft. Yarns include Misti Alpaca, Noro, Happy Fuzzy Yarns, Wonderland Yarns, Done Roving, MJ Yarns, and many more. We have a wide selection of rovings--alpaca (from our herd), camel, yak, merino, BFL, silks, and bamboo and dyed rovings from Frabjous Fibers, MJ Yarns, Noro, Happy Fuzzy Yarns and more! Come visit us! We're at 3424 S Broadway, Englewood, CO 80113, inside Anderson's Vacuums (just a block and a half N of Hampden, on the east side of Broadway.) We're open Mon - Sat 10 - 6 and Sundays 10 - 2. I am usually in the store Tuesday - Thursday 11 - 5 and Saturdays after noon. Mondays and Fridays I'm out with the alpacas.
